Brown pressure-treated lumber. Freestanding deck. No attachment to the pool.
Public website prices, if Darcy later compares one, are indicative only.
No public BMR price was confirmed for this issue, so the public-price column is blank.
A blank BMR SKU, public price, contractor price, availability, substitution, or delivery cell means **SUPPLIER CONFIRMATION REQUIRED**.
Those blanks are not zeroes and they are not a quotation.

Confirmations still open

- Actual stock lengths at Winchester may replace the preferred lengths.
- Veranda HDDR2022005 / SKU 1001900458 is a Home Depot identity, not a confirmed BMR SKU.
- Lower-deck walking surface is 12 in. Post cut length is still a field item. The dressed stack is 17.5 in.
- Helical pier shaft, helix, length, torque, and bracket are not specified. There is no concrete quantity.
- Connector brand, bolt diameter, and gate hinges are not specified.
- Do not read a blank price as zero.
