

Linda Bushel

12 D'Arcy's Way, Kemptville, ON K0G 1J0
Supplier: BMR Winchester
Brayman Construction. Not a purchase order. Not a customer price.

Here is what we know. Here is what remains unresolved.
Here is what we need from Brayman. Here is what we need from BMR.
BMR names the product, the SKU, availability, and the current contractor price. BMR does not perform the takeoff, does not set Brayman's quantities, and does not approve Brayman's cost.
A member count or a location count is not a purchase quantity. A blank is not zero.
The item lines are the response for this request. The account discount is supplementary.

Account pricing — supplementary

Use this only for the Brayman account at BMR Winchester. The item lines below are the response for this job.

Standard Brayman Winchester contractor discount	Category exceptions
Net-priced product exceptions	Quoted products

CONTRACTOR INPUT REQUIRED: Brayman still confirms a project fact. SUPPLIER PRODUCT REQUIRED: BMR names the product and SKU. SUPPLIER PRICING REQUIRED: BMR gives the current contractor price. SUPPLIER AVAILABILITY REQUIRED: BMR states availability. MATERIAL / SOURCE GAP: the material or the source fact is not stored. PUBLIC PRICE: NOT AVAILABLE means no public price is on file. A public price is not the contractor price.

BMR: Identify the BMR product, SKU, availability, and current contractor price for gate.

BMR product confirmed	BMR code / SKU	Availability	Contractor discount
Contractor net price	Quoted price	Substitute	Supplier notes

Foundation

Foundation — Helical piers

Material: TBD

Shaft TBD. Helix TBD. Length TBD. Product TBD.

Known count: 15 Unit: locations

15 locations. This is not a purchase quantity.

PUBLIC PRICE: NOT AVAILABLE

CONTRACTOR INPUT REQUIRED · MATERIAL / SOURCE GAP · SUPPLIER PRODUCT REQUIRED · SUPPLIER PRICING REQUIRED · SUPPLIER AVAILABILITY REQUIRED

BMR: Identify the BMR pier product, SKU, availability, and current contractor price. Do not choose the shaft, helix, or length.

BMR product confirmed	BMR code / SKU	Availability	Contractor discount
Contractor net price	Quoted price	Substitute	Supplier notes

BRAYMAN INFORMATION REQUIRED

This section is for Brayman. Darcy does not answer these questions. They are not mixed with the BMR price fields above.

- Confirm joist material, size, and supplied length. The count of 16 members is already known.
- Confirm stringer material, size, and supplied length. The count of 10 members is already known.
- Confirm post material, size, location, and cut length.
- Confirm beam material, size, location, and supplied length.
- Confirm the deck board material, size, and quantity. The stored size is the walking surface, not a board count.
- Confirm the tread count and the board length.
- Confirm how many kits are required.
- Confirm the guard location and layout. The named kit is a separate line.
- Confirm the gate location and construction. The clear opening is already recorded.
- Confirm shaft, helix, and length. The count of 15 locations is already known.
